

Soul Cry

How long should I wait,
Listening in an empty place?
Lord I need Your
Touch again

Where are you when I call?
You've answered me so many times before
Abba, Father
Speak again

Your faithfulness
Will lift me up, will pull me into
Unending grace

Be near to me
As I reach out
Emmanuel
You are with us

When will your justice reign?
Your world is full of sing and pain
Saviour Jesus
Come again

Why is my heart this way?
I'm broken tired and filled with all this pain.
Living water
Flood again

Your faithfulness
Will lift me up, will pull me into
Unending grace

Be near to me
As I reach out
Emmanuel
You are with us

I am crying out, I am crying out
I am crying out for more of you

We are crying out, we are crying out
We are crying out, for more of you
