

Your Love Reigns

Your love reigns high
Your love soars beneath me
Your love reigns high
Through all the earth

I will live for all my days
To bring the honour due to your name
Who am I that you would allow me to worship You?

Hallelujah
Hallelujah
Hallelujah
To the King of all

(repeat all above)

Nails pierced Your hands, Your feet
My burdens made Your shoulders weak
But the victory was Yours, and ours to gain
Death no longer triumphant
Your word fulfilled, the veil torn and
Your Holy Spirit now to breathe in me

Hallelujah
Hallelujah
Hallelujah
To the King of all
